Dear Preacher,

Just a short note to tell you that I don't know if I will be at Henderson this week-end or not. I know you won't exactly be broken up if I don't make it, but I wanted to tell you anyway. I'm going to try and find out if you will still be there Sunday or not, but I'm sure you will have to go back to Cookeville to preach, right? Anyway, there are bunches of little things that are cluttering up the plans, so I just don't know.

I have a letter to you that has been ready to mail for a month now. It is with some other papers for you to fill out. My reference to ACC, I guess that is sneaky, huh? The Man referring me----I'm still all fired up about going. The only thing is my folks are pushing Harding because it is so much cheaper and closer. I am applying for a National Defense Loan and a scholarship. If at least one of them doesn't pull through I may wind up being a Harding-~~night~~. It is alot cheaper than ACC. And, of course, they want their baby daughter nearer home. That's one reason I really want to go to ACC, because it is so far away. (Not from home but from other things, I'll tell you about it sometime) Anyway, I do hope I see you all this week-end, I even have my Canada films here with me, just in case. If I don't see you, can't you come back down Thanksgiving--everyone will be there then? I know you all will have a wonderful week-end, I'll be there in heart anyway.
